American Association of  
Housing Educators

1975

## INTRODUCTION

This *Directory of the American Association of Housing Educators - 1975* is prepared as a tool of communication between professional workers in the broad interrelated areas of Housing.

The Executive Board of the American Association of Housing Educators has authorized the publication of a membership Directory as a supplement to the first issue of the *Housing Educators Journal* published following the annual meeting in October.

Members paying dues after the *Directory* is printed will have their names listed in a supplement printed later in the year.

Please address all inquiries concerning the objectives, types of membership, dues, publications, and programs of the American Association of Housing Educators to:

Dr. Vera Ellithorpe,  
Executive Secretary  
American Association  
of Housing Educators  
Department of Family Economics

- Extension
- Legislative
- Liaison
- Long-Range Planning
- Membership
- Program
- Publications
- Research
- Scholarship and Development

## PUBLICATIONS

*Proceedings* of annual meetings are printed and circulated after each meeting. Publications prepared by committees are provided to members. The *Housing Educators Journal* is published three times a year.

## PURPOSE

The American Association of Housing Educators strives to promote housing education in the broadest context in order to strengthen research and teaching in producing new knowledge and better understanding of the role of housing in the life of American families.

## HISTORY

Housing Educators in the Land-Grant Colleges and Universities, seeking to clarify housing education and research, met in 1955 at the University of Illinois. Nine annual conferences were held prior to the organization of the American Association of Housing Educators in 1965 during a conference at the University of Missouri. The initial meeting of the new association was held at the University of Illinois in 1966.
